Many Pennsylvania colleges and universities will be participating via livestream. Institutions are encouraged to develop their own program (e.g., roundtable, presentation, discussion) about how redistricting has affected their own congressional district.

Alternatively, all participants are welcome to continue watching the program at Muhlenberg, which will feature students from Muhlenberg and Cedar Crest College, as well as the 7th congressional district's Congresswoman Susan Wild.

For the final session, 7:45-8:15pm, Session 1 panelists will return for final remarks. All participants are encouraged to join in the discussion by submitting comments and questions via Twitter by tagging **@TownhallPA**.

*This event is sponsored by the Department of Political Science at Muhlenberg College, the Department of Political Science at Lehigh Carbon Community College and the Pennsylvania Political Science Association.*
